

Friends of Mycenae Gardens Photo Competition

Purpose of document.

This document describes how we propose to run the monthly Photo Competition, starting from January 2025.

The competition

The competition is for fun only. There are no prizes.

By submitting a photograph, the person submitting is granting us permission to use that photograph.

Photographs of vulnerable persons cannot be considered unless their legal guardians have granted permission for their use.

The competition will be run monthly, with two eligible categories:

1. Adult - submissions by persons aged 18 and above
2. Young adult - submissions by persons aged below 18

Submissions must be sent to fomgphotos@gmail.com by the 20th day of the month for inclusion in that month's competition indicating the submitter's age category.

The Friends of Mycenae Gardens committee will decide on the winner in each category by the end of that month and will notify the winners. Sadly, we will not be able to respond to every submission, only the winning entries.

Winning photographs will be displayed in the following month in Mycenae House, the Friends' Notice board in the Gardens and the Westcombe News.

We may also publish winning entries on social media sites or use them to produce greeting cards or a calendar.
